

To Our Valued Customers,

For almost four decades, we have been proud to be your one-stop-shop for all things celebration. It's been our honor to be there for you to help mark what matters most – the experiences and milestones shared with family, friends, colleagues, and community – and we hope that we have made it easy for you to create unforgettable memories that will last a lifetime.

Given our long history supporting our customers' most joyous moments, it is all the more difficult to share that we will soon be closing our doors. Like many retailers, we've been operating in an immensely challenging environment with inflationary pressures on both costs and consumer spending, and while we did everything we could to navigate these headwinds, our very best efforts were ultimately not enough to overcome these challenges.

Party City isn't going away just yet, however.

Our stores are currently open, and we are offering incredible deals and deep discounts on merchandise at our locations nationwide. We invite you to hurry in right away to stock up on everything – from holiday and New Year's Eve decorations to birthday party supplies and beyond – while the selection is best!

It has been a true pleasure to be a part of your most special moments over the years. And, in the coming weeks, we hope you stop by to say goodbye and pick up your favorite items, whether you're organizing a big celebration now or planning ahead for milestone moments to come.

On behalf of the entire Party City team, we would like to express our deepest gratitude for your valued business and for being a part of our extended family.

From the bottom of our hearts, we thank you,

Your Party City Team
